

## LC4X4DS2 - Articulating Wall Mount for Flat Screens up to 65" with 400mm VESA® Mounting Patterns

The LC4X4DS2 articulating wall mount is designed to use with flat screens from 20" - 65" weighing up to 75lbs. The mount's multi-position triple pivoting arms allow the screen to be positioned in hard to reach areas. Mounts to structures with 16" CL wall studs or concrete. Once installed, the screen can be pushed into or pulled away from the wall as needed up to 24". The viewing angle can be adjusted 45° for the best viewing angle.

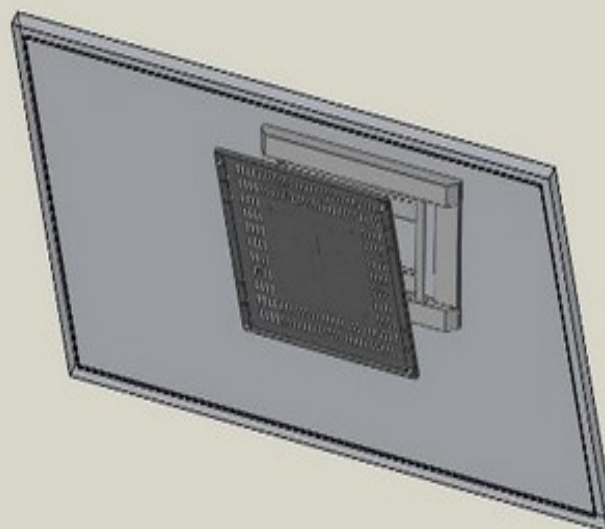

The VESA® mounting patterns on the front of the LC4X4DS2 allow it to be mounted to screens that have mounting patterns of 400mm x 400mm, 400mm x 300mm or 400mm x 200mm.

The mount has convenient cutouts for electrical and A/V wiring to the back of the screen and to the wall.
