

LCAPDVDHCI - HCI DVD Adapter

for use with LC200 Mounts

1. Determine which set of holes will be used for mounting the HCI DVD Holder to the LC200 mount and to the HCI DVD Player. Use the holes that allow room for attaching cables and access to the DVD Player.
2. Attach the HCI DVD Holder to the LC200 Mount by placing the holder between the LC200 Mount and the back of the monitor.
3. Attach the HCI DVD Player to the HCI DVD Holder using 4mm security or philips head screws and 5mm washers.

Note: Security Screws require LC532SPH, 5/32" hex key with a hole, for installation and removal.

Hardware

- 4 ... 4mm x 12mm Philips Screws
- 4 ... 4mm x 12mm Pin Head Security Screws
- 4 ... 5mm Flat Washers
